This calendar is an initiative of the Veterans’ Advisory Council of South Australia. For more details on these important events in the military history of our State and Nation please telephone Veterans SA on (08) 8226 8552 or email veteranssa@sa.gov.au. Throughout the Anzac Centenary we remember the courageous men and women from South Australia whose service and sacrifice in all years, conflicts and peace operations ensured the preservation of the way of life we enjoy today.
